“What Our Clients Are Saying”

Feedback from our variety of event service...

Wedding & Reception

Wedding arrangement is a concoction of responsibility, anxiety, stress and exertion. When such task needs to be entrusted to someone, it has to be a person in the family, or a friend on whom you can rely on blindly. S&L Events established such confidence in us leaving us only the task of being present at the time of the event.

We infact were taken by surprise on seeing the arrangements that were beyond our expectation but to point out some, it would be the decoration and the food. The decorations, stage arrangements and the lighting transformed the hall, which was in a poor condition. Many of them who came onto the stage to greet us, did not leave before giving a special mention on the sumptuous food they had, testifying to the fact that the food was amazing. . Most of you who are reading this might be concerned about what they would have charged us, given the commitment they offered. But, this company charged us very reasonably while being transparent and providing services worth every penny. After our wedding, we have been recommending them for many events and not even in one place they have disappointed us. If you are looking to have a hassle free event at a reasonable price, I strongly recommend S&L Events. – **Mrs. Priya Sylvia – Manager God T.V.**

Birthday

The birthday was a blast. Our entire family and friends had a lot of fun filled memory. We selected “ the theme Jungle “ and it was so lively with extraordinary arrangements and the best thing was the theme cake and biriyani was an ultimate treat that we never had it before. S&L team was so creative and friendly in every means which they met and satisfied our expectations. MC had a good flow in controlling and engaging the crowd with creative activities. – **Mr. Andrew – Cognizant.**

Baby Christening

We had two occasions in booking S&L events for our Baby christening and Christmas play in our community hall. I would like to take this opportunity to appreciate the efforts in the areas of decoration, sounds and lights for both functions. The arrangements and the lighting transformed the hall so well. I would like to recommend S&L events for all kind of event requirements from small to large. – **Mr.Jayakar & Mrs.Sharon – CEO Righteous Essentials.**

Valedictory function

My father Major.Dr.V Gabriel Kamarasan having served as professor of Commerce and Management Studies for 34 years and as NCC officer for 25 years in the rank of Major, retired from his services in 2018. As a sign of commemoration and admiration we organized a Thanksgiving prayer. Amongst all exemplary events, the food served was delicious and palatable. All credits goes to S&L Events. They deserve our whole hearted admiration, for efficient organization & taking care of everything to our utmost satisfaction. – **Mr.Joel Gabriel - Wipro**

“What Our Clients Are Saying”

Feedback from our variety of event service...

Wedding & Reception

Our wedding coordinator made the entire process so much less stressful. I am so glad that I used S&L events as my wedding planner, What really made our day so amazing. Having you there to oversee everything and make sure that all the elements from decoration, photography, food was delivered as promised. The personal touches were in place and all the needed were on point made our day so relaxing. You were so kind and friendly to our family members from the day one. I would highly recommend you to anyone as a perfect wedding planner. Thank you Joshua & the entire S&L Team. – **Mrs. Anusha, Chennai**

Brand Launch

It would be the least to give kudos to S&L for flawless organizing of our brand launch from start to end. I were indeed satisfied on the efforts to pull up the event irrespective of the short notice. I would recommend S&L events is my go to person for all our forthcoming events. - **Mr.Masthan - CEO of Marina Football Club, Chennai.**

Wedding Photography

I was really confused about to whom I should hand over the important thing that's to say to capture all the moments then I came to know about S&L events. I was really happy how supportive they were and made everything beautiful. My wedding was so crazy and it ended almost the late night but they were there with patience and captured all the moments. I would take this time as a privilege to thank them from deep down of my heart .I would recommend to choose S&L events because their ideas are out of the box which we experienced in our outdoor photo shoot session. They help you to put out the best. God bless. - **Mr.John and Johanita – ACA Church Chennai.**

Thanksgiving memorial service

We ordered biryani from S&L events and every guest who were present asked us where did we order the food from. Everyone enjoyed the authentic taste of Bhai Biryani. Great Quality and Great Service. - **Mr.Johnson & Mrs.Shareen- FEED OF LOVE.**

Thanksgiving

We would like to THANK and Appreciate S&L events for the arrangement on “decorating the hall & food” for our daughter puberty function which happened on Dec 2019. We had given this order within a very short period, but S&L events team managed very well, and every guest appreciated the decoration and tasty biriyani. We are so Happy and Satisfied with all the arrangement you had done. Thank you once again Joshua and S&L Team. God bless your business – **Mr. Murugesan & Angel – CEO Agape Garden School.**

“What Google Says”

Client reviews & experience from our event service...

Simeon LaFroid 19 December 2021

★★★★★ Hired Salt and Lights Events for our wedding at VGP Golden Beach Resorts (CHENNAI). Joshua (Salt & Lights) is serious when it comes to customer satisfaction and who will stop at nothing to bring smiles on his customer's faces. Unlike other companies who will delegate work to their team and relax, Joshua stays on the event spot most of the time and makes sure everything goes out really well. We asked for an on-premise event management service for our wedding. Food, Decor and photography team did an amazing job. The food offered by Joshua's catering team was top good. Overall it was a hassle free and seamless experience for our families and everyone who came. We were pleasantly surprised to see how things were well organized and especially the taste of the food. We would highly recommend Salt and Light Events if you are looking for an end-to-end event management service for a hassle free, happy and joyful wedding. Kudos to the

★★★★★ First I was thinking how one person will handle all things, but really they as a team (Salt and Light) made it (Our Son's Marriage) wonderful and flawless. I should tell about veg and Non veg, it was very tasty and juicy, even after two days passed I feel the fragrance of bhajari, Chikka & Banthar Bha and Masal Kofka of course.

I personally thank Joshua Head of Salt and Light, is very friendly and approachable. You could understand how many times we would have called, all the time he answered patiently and happily even at late time.

Last but not least: We as a family bless Joshua May God bless their team and family saundark.

Lydia Samson 10 August 2021

★★★★★ It was a wonderful, well organized event by The Salt and Lights. We booked them for our brother's wedding and they took complete care of Church, and reception Hall decorations, photography, video, food, car and other needed support. The entire crew was friendly and they were like our family members and took care of all the guests. The food was especially awesome and all our guests liked it very much. Just like their name Salt and Lights they added flavor to this event and as a family we recommend "The Salt and Light" For all your occasion and we are sure your events will be taken care in a professional way. I personally thank Joshua and his complete crew for a splendid job for making our occasion a memorable one.

★★★★★ Joshua did an excellent job for us in making engagement baskets/thattus for us. It was a small order from us but he put in a lot of effort in making it beautiful and perfect. He even personalised it with cute little verses and tags. ❤️ Very professional approach, knows what he's talking about and understands the requirement and delivers above and beyond! Highly recommend Joshua and The Salt and Light events!
